

# ENGINE 39 HOUSE

Where Your Patronage Saves Lives By Supporting The Edinboro VFD

The Edinboro Volunteer Fire Department is moving closer to the opening of Engine House 39. This brand new social club will provide members with quality food, fine spirits, and small games of chance, in a casual atmosphere that is family friendly.

In an era where many volunteer fire departments are struggling to keep their doors open, your volunteer fire department has taken proactive steps to create a funding mechanism that funds the department in lieu of raising taxes, or other assessments. Please join us in this exciting endeavor by becoming a Charter Member of Engine House 39!

## Now Accepting Charter Members

### Benefits of Joining Now

While memberships should be available once the club opens (anticipated November 2017), there are several benefits to joining NOW...

- It's always been the fire department's objective to open this club with as little debt as possible. Your membership fee in this first year will help the fire department achieve this goal.
- Members who join NOW, will go down in the record books as a charter member of Engine House 39, and will be recognized as such.
- 2017 members will be invited to exclusive club events during the construction phase, such as "soft opening events."

### Frequently Asked Questions

**Does every member of my family need to join?** Membership is limited to those 21 years of age or older, though minors are welcome as a guest of a member. A spouse or friend may also be a guest of a member, but are encouraged to join on their own so that they receive member benefits. Duplication of the membership application is absolutely permissible.

**Where can I find updates regarding the progress of Engine House 39?** Updates can be found at [www.edinborofire.org](http://www.edinborofire.org). As the project progresses, Engine House 39 will have its' own website. E-Mail addresses are being collected so that we may send periodic updates as well.

**What else can I do to help?** Individuals who may be interested in providing volunteer labor during the construction phase, or for additional sponsorship opportunities, please e-mail [club@edinborofire.org](mailto:club@edinborofire.org).

**Will this membership take the place of the annual EVFD Fund Drive?** Membership in Engine House 39 is voluntary. Engine House 39 is one method that the EVFD will utilize to generate funding needed to operate the EVFD. Traditional means of raising funds, including the annual fund drive, will continue as critical fundraising efforts.
